Organising Secretary

To,

The Principal,

We hope this letter finds you in the best of health and spirits. As part of the upcoming Physiocon 2025 conference, scheduled to take place on 25th and 26th April 2025 at Palace Ground (Shringar Palace, Gate No - 8), we are excited to organize a Quiz Competition that will showcase the knowledge of participants from various educational institutions and organizations involved in the physiotherapy field.

We would be honored to invite you and your esteemed team of students to actively participate in this Quiz Competition. We believe this is a wonderful opportunity for your college to showcase its cultural vibrancy and engage with a wider academic community.

Please let us know your college's interest and availability by 07/04/2025 by replying to this email.

We look forward to your enthusiastic involvement in making this program a resounding success.

With warm regards,

Dr. Nandini Kadabi

Incharge Quiz Competition
